

GRAMMAR SHEET 19

Verbs: 'be' / 'have' / 'do'

Write be / is / are in the spaces

I have a friend called Su Lin. She Chinese. Her parents farmers. They not rich, but they happy. On the farm there a pig and there lots of chickens. At home there a dog, and a cat with five kittens. Su Lin loves them all. The smallest kitten Su Lin's favourite. He always hungry. When he sees Su Lin he cries to her and licks her fingers, asking for food. She calls him Jet because he black apart from his ears and the tip of his tail. Jet and his sisters very playful. Su Lin will sad when they grow up. Soon they will go away to other homes.

Write have / has / do / does in the spaces

Su Lin lives with her parents and her grandparents. She no brothers or sisters. She the housework with her mother. Her grandparents the cooking, and her father works in the fields. Su Lin wants to be a vet. She studies very hard and she always her homework. She spends all her free time with the animals at home and on the farm. The kittens very sharp teeth. They bite everything, including Su Lin! Su Lin will soon new babies to play with because the pig is going to piglets in six weeks time.
